2. Tower Pattern
3. Crayons, Markers, or Colored Pencils
4. Tape
5. Scissors

DIRECTIONS

2. Allow the students to color the bricks on the tower pattern.
3. Next, students should cut out their tower on the solid black lines.
4. Help students tape end "A" to end "B" to make a cylindrical tower.

FOR DISCUSSION

As students are coloring their towers, remind them how the people at that time had one language. They wanted to make a name for themselves and God was not pleased. God confused their language and scattered the people over all the earth. We do not please God when we do things out of selfish ambition. Review the memory verse with your students.

Genesis 11

¹Now the whole world had one language and a common speech. ²As men moved eastward, they found a plain in Shinar and settled there.

³They said to each other, “Come, let’s make bricks and bake them thoroughly.” They used brick instead of stone, and tar for mortar. ⁴Then they said, “Come, let us build ourselves a city, with a tower that reaches to the heavens, so that we may make a name for ourselves and not be scattered over the face of the whole earth.”

⁵But the LORD came down to see the city and the tower that the men

were building. ⁶The LORD said, “If as one people speaking the same language they have begun to do this, then nothing they plan to do will be impossible for them.

⁷Come, let us go down and confuse their language so they will not understand each other.”

⁸So the LORD scattered them from there over all the earth, and they stopped building the city. ⁹That is why it was called Babel—because there the LORD confused the language of the whole world. From there the LORD scattered them over the face of the whole earth.

Bible Story Rhyme

Block by block they built a tower,
(Pretend to stack blocks with both hands)

To the sky with their own power.
(Hold up your arm and flex)

God was angry with their plan,
(Hands on hips with angry face)

He changed the language in their land.
(Point to mouth with pointer finger)

God was not happy. He made it so that the people could not talk to each other anymore.

Have You Ever Sinned?

The Bible teaches that we have *all* sinned and do not measure up to God's glory. It also teaches that the price for sin is death which separates us from God. But even though we are sinners, Christ died for us and paid the price for our sin. We just need to ask him to forgive us and receive his free gift of salvation. Just pray this prayer, with a sincere heart, and Jesus will forgive you of your sins. You will become a child of God and live with Him in heaven.

“Dear Jesus,

Please forgive me for the bad things that I have done. Please come into my heart and be my Lord and savior. In your name I pray, Amen.”

The people stopped building the tower because they could not understand each other.

PRESCHOOL GAME

Supplies: building blocks

Kids will play this simple game over and over after hearing the story of the Tower of Babel.

Arrange the room so that each group of three to four children has plenty of floor space. Give each group a set of blocks. Say: **Remember the story of the men who thought they would build a tower high enough to reach heaven? God did not let them finish the tower because he wanted the men to understand that believing in him is the only way to heaven. Today we're going to build towers, too. Our towers won't reach heaven either. They'll fall to the ground when they get too high.** Let the kids play for several minutes, working together to build the biggest tower they can.

Next, start a new tower and show children how to place the blocks so that it's difficult to get the *next* block to balance. Have them carefully continue to add new blocks until the tower wobbles and falls. As they anticipate the tower falling, have the kids shout out the warning "Oh, no! Look out below!" Let the person who placed the last block place the first one in the next round.

THE TOWER OF BABEL

Genesis 11:1-9

Some people built a tall tower. They wanted it to reach all the way to God. Building the tower made the people feel important. But God was not happy with the tower. He made all the people speak in different languages. Then no one could understand each other and the people didn't feel so important anymore.

A SPECIAL REPORT ON GENESIS 11:1-9

THE TOWER OF BABEL

The earth had only one language. So the people said to each other, "Let's build ourselves a city with a tower that reaches to the heavens so that we can make a name for ourselves."

The people were very proud of themselves.

The people made bricks and used tar to stick the bricks together.

The Lord came down to see the city and the tower that was being built. The Lord was concerned about what the people might do next. He decided to confuse their language so that they could not understand each other.

So the Lord scattered them from there all over the entire earth. The people stopped building the city because God confused their language.

For more details, please read Genesis 11:1-9 in your Bible.
